

Muddy Pig Sensory Art

This activity is a great way for children to receive sensory input without the mess of typical sensory play!

What you'll need:

- Pig printable (provided below)
- Gallon-size bag sealable plastic bag
- Shaving cream
- Brown washable paint
- Green construction paper (optional)
- Glue (optional)

Directions:

1. Place the cut out pig printable in the gallon bag
2. Add shaving cream and brown paint into the bag on top of the pig printout
3. Seal the plastic bag
4. Have the child pat and rub the paint and shaving cream around the bag, fully covering the pig
5. Pull the pig out of the bag and let dry
6. If desired, glue the pig onto a piece of green construction paper

Ways to increase difficulty:

- Have the child squirt the shaving cream and paint into the bag to work on hand strength
- Create a barnyard scene on the green construction paper before gluing the pig

Ways to decrease difficulty:

- Provide hand over hand assistance with patting or rubbing motions
